

Dear _____:

As a constituent, I strongly oppose HR 620. Please do not discriminate against people with disabilities because businesses choose to violate long-established law.

There are more than 56 million people with disabilities in the U.S. who risk losing access to places of public accommodations if this bill becomes law. This includes our veterans, police officers, firefighters, and others who have sustained disabilities while serving our country.

Places they may be denied access include everywhere from department stores to cafes, from doctors' offices to movie theatres.

If HR 620 passes, it will set back civil rights by 27 years. Please oppose HR 620.

Sincerely,
